Subject: U.S. Environmental Protection Agency: Invitation to Lower Hackensack River Event

Importance: High

Good morning,

My name is Shereen and I am the Community Affairs Team Lead at the U.S. Environmental Protection Agency (EPA).

EPA Region 2 will be hosting an event on the [Lower Hackensack River](#) on September 7th. Earlier this year, EPA [announced](#) that the site was proposed to be added to the Superfund National Priorities List.

We plan to hold the event in Laurel Hill Park in Secaucus and are aiming for a late morning start. RA Garcia would be honored to have you make welcoming remarks at the event. As the Lower Hackensack River spans four congressional districts, we are also inviting Congressmen Gottheimer, Pascrell, Payne, and Sires, as well as Senators Booker and Menendez and New Jersey Department of Environmental Protection Commissioner LaTourette .

Please let me know if you will be available to attend or call me with any questions.

Thank you,
Shereen
